ID2-MCT

Self-Service Tidal Mussel Cabinet

ID2-MCT

Features

The ID2-MCT is a self-service refrigerated shellfish display cabinet. Its success derives from the simulated tidal action, which helps to prolong the life of the product. The product is kept in separate baskets and can be varied between mussels, pipis and other selections.

Cabinet lengths are variable, and base frame heights can be altered on request.

This cabinet is also available as a wall model, with all service access from the lower front panels. It is available in standard base or $\frac{1}{3}$ base pedestal options.

Standard

- External painted stainless steel panels
- Stainless steel pressure foamed tub
- Toughened front glass
- Double glazed rear sliding doors
- Canopy lighting
- Electric box lower rear access
