

SELF CONTAINED

VIEW-VS SERIES

CONVERTIBLE TEMP ISLAND CABINETS

ENHANCED ENERGY EFFICIENCY
& VERSATILITY

HUSSMANN[®]

microSC[™]

PRODUCT BENEFITS

- High vision dual temperature merchandiser with glass push-pull lids for greater customer interaction and product visibility
- Ergonomic design for easy product access
- Flexible shelving configurations to optimise merchandising
- Best visual impact for products with energy efficient LED lighting
- Low Total Energy Consumption to save on total energy costs
- Ensured product temperature compliance tested
- Designed for modular configurations to suit many store formats
- Small footprint with maximised display area
- Reinforced shelving to suit varied product weight
- Environmentally sustainable design using natural refrigerant
- Adjustable feet for easy levelling installation
- Easy plug-in on-site installation
- Low reflective E-coated glass for improved product visibility and temperature control
- Flexible dual temperature cabinet (LT and MT) that easily changes from freezer to chiller to provide optimised merchandising to meet customer demand
- Bottom front drainage opening for easy cleaning

STANDARD FEATURES

- External and internal food grade plasticised metal sheet finish
- Single horizontal front mounted remote controlled LED lights
- Rubber bumper (black)
- Static refrigeration system with copper evaporator
- Digital controller with temperature display
- Ventilated condensing unit
- Variable speed compressor (inverter)
- Glass push-pull lids
- Automatic hot-gas defrost installed
- Four dividers and four shelves provided for each 2100 section
- Refrigerant: R290
- EC fan

CUSTOMISATIONS

Shelving & Base Shelf

- Additional shelves and dividers
- Baskets

Lighting

- Additional rear mounted LED lighting available (white/pink)

Other

- Castors
- Zinc coated steel kickplate
- Rear metal joining kit for island configurations
- Alternative bumper colour options available
- External and internal colours available on request

Energy & Sustainability

- Modbus ready
- BMS Compatible

AVAILABLE COLOURS
